# Mold Remediation Technician

Presented by Michael Pinto, *Wonder Makers Environmental*

Florida course #0000012

**RSVP BY**  
**3/9/12**

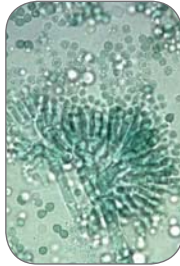

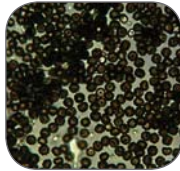

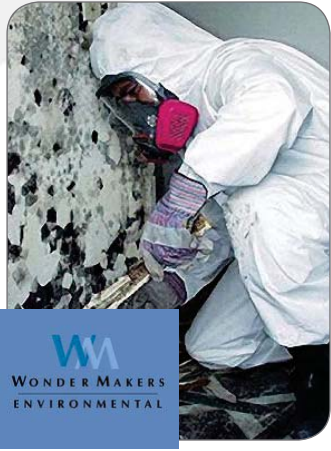

**3-DAY COURSE DATES & TIME**

March 20-22, 2012  
 8:30am - 4:30pm

**COURSE FEE**

**\$795 per person**

*Please note that there is a 50% cancellation fee policy. Seating is limited.*

The Mold Remediation Technician (MRT) course is three days of training focused on the basics of remediation projects. This class explains how mold grows, what it does to people, how to set up isolation barriers and how to safely complete specific removal and cleaning tasks. The course includes classroom discussion and hands-on activities, including a respirator fit test demonstration. Wonder Makers Environmental is an approved training provider in the State of Florida, #0005295.

**This course will cover:**

- Biological Contamination
- Health Effects Related to Fungal Exposure
- Standards and Guidelines
- Reducing Risk with Personal Protective Equipment
- Remediation Equipment and Supplies
- Isolation/Containment of Remediation Activities
- Remediation Work Practices
- Cleaners, Sanitizers, Biocides, and Encapsulants
- General Safety and Health Concerns

**Presented by Michael Pinto...**

Michael Pinto, CSP, CMP is CEO of Wonder Makers Environmental. He focuses on common sense practices that work when restoration professionals are faced with fungal contamination. Mr. Pinto is the author 150+ published articles and several books including, *Fungal Contamination: A Comprehensive Guide for Remediation*. He completed doctoral course work in environmental engineering and holds numerous certifications in the environmental and safety areas including Certified Safety Professional and Certified Mold Professional. He was selected as part of the Mitigation Assessment Team for FEMA following Hurricanes Katrina and Rita and was a contributor to the EPA's Healthy Homes Initiative.
