Accessories for V-GARD® Protective Caps Defender™ Faceshield Frames & Visors

The Defender™ + (PLUS) Faceshield Frames have the Easy-Lock visor attachment and are compatible with Slotted V-Gard caps. With a universal visor it is ideal for use in chemical plants and other industrial applications that demand face protection against small flying objects, abrasive particles and chemical splashes. All MSA Faceshield assemblies and visors meet or exceed the applicable requirements of ANSI Z87.1 2003. The Defender + Faceshield Frame for slotted caps features:

- Front drip edge splash protection
- Unlimited lift stop positions
- Long lasting O-ring pivot joint design
- Snap in ear muff option
- Easy in, easy out visor replacement
