

FORMULA

315

SMOKE & SOOT CLEANER/WASH

Powerful Cleaner
Safe & Non-Caustic
Concentrated

SENTINEL'S RESTORATION CLEANING PROCESS

Sentinel 315 Smoke & Soot Cleaner/Wash works great as the first stage when cleaning dirt and residue from surfaces like floors, walls or ceilings prior to using Sentinel 522 Smoke & Odor Destroyer or 531 Smoke & Odor Counteractant to rid the space of unwanted odors.

PRODUCT DESCRIPTION

Sentinel 315 Smoke & Soot Cleaner/Wash is a powerful cleaner that is highly concentrated and safe to use. 315 works great on restoration jobs as a wash for cleaning soot and carbon commonly found after fires. 315 is highly concentrated and can be mixed in varying strengths, based on the cleaning needs of the job.

USAGE GUIDELINES

Read directions thoroughly prior to use. Test in a small inconspicuous area prior to using on soft goods and fabrics to assure desired results. Sentinel 315 is a safe for hand/bucket washing or pressure-washing (low & high pressure) surfaces, based on need.

DIRECTIONS FOR USE: (FOR PROFESSIONAL USE ONLY.)

Use Sentinel 315 straight for the toughest cleaning jobs or dilute one (1) part 315 with up to ten (10) parts water. Mix product in a bucket and wipe solution onto surface with rags and wash surface until clean. Dilution rates can be adjusted as needed for lighter soils or for general purpose cleaning and degreasing.

Sentinel 315 can also be used in low pressure sprayers as well as in pressure washer applications. Apply mixed solutions with a sprayer to affected surfaces and rinse as needed. Allow product to soak for a few minutes before rinsing when removing tougher stains and soils.
